M2.

Office of the R. L. A.

The draft notification, as slightly amended is in order.

2. In the notice given by the employers it is stated that the temporary increase in wages will be discontinued from 1st July 1941 or 1st of the calendar month next following the completion of the conciliation proceedings whichever is later. The statement in the notification that the wage increases are to be discontinued from 1st July is therefore not quite accurate. It is also not necessary to specify this date in the notification. The words "with effect from 1st July 1941" have therefore been deleted.
